

THE SHARPER IMAGE®

Ionic Breeze® Air Freshener for Bathrooms & Small Spaces

SI627 Instructions

SHARPER IMAGE DESIGN™

Read and save these instructions.

Dear Sharper Image Customer,

Thank you for your purchase of a Sharper Image product. We appreciate your business very much.

This item was created by Sharper Image Design, our company's own product development group. Please accept my personal assurance of your complete satisfaction with this product's quality and performance. We offer generous return privileges and excellent warranties on all our products.

For more than 25 years, The Sharper Image has shared the fun of discovering innovative products that make life better and more enjoyable. We've been in business a long time because we are an exciting place to shop and — just as importantly — we strive to deliver great customer service that exceeds your expectations.

Enjoy your purchase!

Respectfully,

A handwritten signature in cursive script that reads "Richard".

Warnings

To reduce the risk of fire, electric shock or injury when using any electrical appliance, basic precautions should always be followed, including:

- This appliance operates at 120V AC and 60 Hz and is for indoor use only.
- Unplug from outlet before servicing or cleaning.
- The exterior of this unit can be wiped clean using a mild solution of dishwashing detergent and water.
- Use only as described in this manual.
- Do not use if the plug appears to be damaged. If the appliance is not working properly, or has been dropped, damaged, left outdoors or dropped into water, return it to a service center or to the original place of purchase.
- There are no user-serviceable parts inside the unit. Any attempt to open the unit will void the warranty and could lead to serious damage to the unit and/or personal injury to the user.
- Do not handle the appliance with wet hands.

Warnings

- Do not put any object into openings. Do not block any openings. Keep all openings free of dust, lint, hair or anything that may reduce airflow.
- Do not operate the unit in areas where flammable or combustible products or vapors may be present.

READ AND SAVE THESE INSTRUCTIONS.

Operation

The Ionic Breeze® Air Freshener for Bathrooms and Small Spaces significantly reduces unpleasant odors without any fragrances or sprays.

Plug the unit into a standard 110-220V wall outlet. Relocate the unit if it causes temporary interference with electrical components (radio, computer, etc.).

This product has an LED night-light that illuminates 24 hours a day for a few pennies-worth of energy and never needs a replacement bulb.

Note: You might hear a static-like sound when the unit is operating. This is often caused by moisture and is harmless.

Care and Maintenance

The Ionic Breeze® Air Freshener has collection blades that can be removed for cleaning. We recommend that the collection blades be cleaned at least once a week.

- Always unplug the unit before cleaning.
- Slide the collection blades from the top of the unit.
- Wipe the metal blades on either side with a damp sponge or cloth. An alcohol-dipped cotton swab can be used to remove stubborn dirt. The collection blades can also be washed in dish-washing detergent.

Important: Shake the entire unit back and forth several times to remove any hidden debris from the ionizing wires.

Care and Maintenance

Warning: The collection blades must be completely dry before reinserting them into the unit.

Replace the collection blades by sliding them completely into the top of the unit. The Ionic Breeze® can now be plugged in again.

Statement of FCC/DHHS Compliance

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This product complies with DHHS Rule 21 subchapter J at date of manufacture.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

Statement of FCC/DHHS Compliance

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for assistance.

FCC Label Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

One-Year Warranty

What Is Covered

This warranty covers any defects in materials or workmanship, with the exceptions stated below.

How Long Coverage Lasts

This warranty runs for one year from the date of original purchase.

What Is Not Covered

This warranty does not cover damage caused by misuse or use other than as intended and described in the product instruction manual, or loss or damage to batteries or removable parts.

What The Sharper Image Will Do

The Sharper Image will repair any defects in materials or workmanship. In the event repair is not possible, The Sharper Image will either replace this product with one of similar features and price, or refund the full purchase price of the product, whichever you prefer.

How to Obtain Service

Return the product and receipt, along with a brief explanation of the problem, to:

T.S.I. - Returns Department
2901-A West 60th Street
Little Rock, AR 72209

If you have questions please feel free to contact our customer service representatives at 1-800-344-5555 or by email at care@sharperimage.com.

This warranty gives you specific legal rights, and you may have other legal rights that vary from state to state.
